

DONOR GUIDE

ZONE 28 & 32 INTERACT CONVENTION

2022

PREPARED BY
THE ZONE 28 AND 32 INTERACT CONVENTION 2022 TEAM

**Interact
Convention 2022**

Donating to the Zone 28 & 32 Interact Convention impacts hundreds of Interactors across North America, creating a ripple effect that will provide them with the resources they need to serve to change lives.

The Zone 28 & 32 Interact Convention Donor Program

Here at ZIC, we really appreciate your generous contribution. To ensure that you get the recognition you deserve, we have created a tiered donor program. Donors are recognized and celebrated at each and every donation level at our convention. We will never be able to thank you enough for your belief in our vision to empower Interactors. We thought it best to celebrate our donors in every way possible.

Your Donation Makes a Difference

We are striving to ensure that this event is a successful, enjoyable experience for all Interactors that attend. Through your donation, we are able to cover necessary expenses that will make this convention, which is the first of its kind in the Interact world, shine. This includes financing meals, supplies for the event, accommodations for participants, costs associated with various pieces of the program and more.

If you would like a detailed breakdown of where your donation will go, please reach out to finance@zoneinteractconvention.org

How We're Funded

We rely only on optional contributions of Rotary Zones, Districts or individual Clubs that are generous enough to provide us with a donation. We also rely on organizations, businesses, and corporate funders. Above all, ZIC wants to involve Rotary as much as possible in the process, and allow them to help pave the way for Interactors in Rotary's future.

Donating to the Zone 28 & 32 Interact Convention

Our donor tiers are named after various natural sources of light. They reflect how “Interact lights the way” in Rotary, and are also a manifestation of the shining brilliance of our donors. Starting at \$100.00 CAD, we track your contributions and recognize you based on your donor level.
